

Alateen Report:

I have gone through all the stuff that was given to me in November and now have a good idea where I am at. I have only recently figured out what the committee is suppose to be working on so I hope to get us all together at the March assembly to decide how we are going to go about the things charged to us to do.

Handbook Committee:

I am at a loss to know what this committed is doing, I have talked to Judy J and now have found a paper that I hope is what she was looking for so after meeting with her today I hope to gain a better knowledge of what is being worked on.
