

AL-ANON MEETING NEEDS YOUR
EXPERIENCE, STRENGTH AND HOPE

**HOPE AT COFFEE CREEK
COFFEE CREEK WOMEN'S CORRECTIONAL FACILITY
WEDNESDAY 7:00 P.M — 8:30 P.M.
MINIMUM SECURITY—TREATMENT CENTER**

What a gift of the program to be able to share the hope of Al-Anon with those who cannot seek it on their own. Al-Anon is offered as a cognitive program through the DOC; without volunteers this program would not operate. The women who attend the meeting are looking for recovery, and isn't that what carrying the message of Al-Anon is all about.? We share our experience, strength and hope and together we are making a difference.

The meeting is focused on a book study, currently "Discovering Choices" . We read the words of Al-Anon literature and then share. A clearance procedure is in place for those who would like to attend as a visitor and a more formal procedure for those that want to continue as a volunteer. There are some requirements as to dress and you will have to go through a metal detector but it is very non-invasive.
